

request for manual submission 60 calendar days prior to the submission due date for each of these information components (unaudited year-end financial information, management operations information, and resident service and satisfaction information). A PHA must forward its manual submission request in writing, to the Real Estate Assessment Center, Department of Housing and Urban Development, 1280 Maryland Avenue, SW, Suite 800, Washington, DC 20024-2135, Attention: Manual Submission PHA Finance Team.

For PHAs with a fiscal year-end date of September 30, 1999, REAC will not require that manual submission requests must be submitted 60 calendar days prior to the submission due date for the information. REAC requests, however, that these PHAs forward their manual submission requests to the above-mentioned address as soon as possible, prior to their submission due date. A PHA's written request for a manual submission must include a justification as to why the electronic submission of information will pose an administrative and/or cost burden on the PHA.

The REAC will respond to the PHA's request and will forward its determination in writing to the PHA. Approvals are for the PHA's current reporting period *only*.

3. Extension Requests for the Submission of Year-End Financial and Management Operations Information

HUD will consider extension requests for the electronic submission of a PHA's unaudited financial and/or management operations information. To receive an extension, a PHA must ensure that the REAC receives the PHA's extension request (electronic or written) 15 calendar days before the submission due date of its unaudited year-end financial and/or management operations information. REAC will only consider requests for extensions relative to financial reporting if a PHA can demonstrate that it is unable to meet the requirements referenced in the Uniform Financial Reporting Standards for HUD Housing Programs (24 CFR Part 5, Subpart H) as a result of unusual circumstances beyond its control.

The extension request (electronic or written) must include a justification as to why the PHA cannot submit the information by the submission due date. The REAC will respond to the PHA's request and will forward its determination (electronic or written) to the PHA.

An electronic extension request may be submitted by contacting the REAC's

Customer Service Center at <http://www.hud.gov/reafin.html>.
